This is my personal list of favorite resources and supplies that I use in my own business and creative life. I've chosen to share it with you in hopes that it might help you live an extraordinarily creative life, too! xo, Bonnie

ELECTRONICS

iMac - One of the best investments to date and in my opinion, the more 'screen real estate' the better (i.e. the bigger, the better!).

iPad Pro + Apple Pencil - for use as a drawing tablet.

MacBook Pro - For blogging & designing on-the-go.

Camera - Canon Rebel T3i

Scanner - Canon CanoScan LiDE110

ECOURSES & ONLINE EDUCATION

Blogging Your Way by Holly Becker - The first e-course I ever took!

Craftsy - education and tools to help you bring your creativity to life.

Skillshare - an online learning community to master real-world skills through project-based classes.

CreativeLive - Free online classes every day to fuel your creative career.

ESSENTIAL COMPUTER PROGRAMS

Adobe Illustrator - for blog posts, repeating patterns, digital illustrations and hand lettering.

Adobe Photoshop or LightRoom - for editing photos.

Dropbox- for keeping all your files with you all the time.
